# La Salle University

La Salle University is a liberal arts institution which combines the best of all educational worlds. With 3,500 men and women attending classes, the university offers a pleasant environment within close proximity to Philadelphia's cultural, social, and historic centers.

Founded by the Brothers of Christian Schools, La Salle is named for St. John Baptist de La Salle, founder of the Christian Brothers. The institution, which began as a one-building academy in center city Philadelphia, is now an 85-acre, 36-building in Philadelphia's Germantown section.

The La Salle day and evening faculty numbers 400 full and part-time, with 45 different programs of study offered for students to major in. With a student-faculty ratio of 15-to-1 and an average class size of 21, students can be assured of as much personal guidance as needed from faculty members. This commitment to the individual has always been a major tenet of the Christian Brothers' goals for La Salle.

La Salle's curriculum requires the completion of 120 credits, but allows wide flexibility in choosing courses. A limited number of requirements in English composition, literature, philosophy and religion provide greater opportunity for depth outside of the student's major field. The number of courses required by a department of its major never exceeds 17, leaving 8-10 courses as free electives that may be used to build a strong minor or diversify one's background.

Various independent study programs provide the students with greater options. A thriving nationally-recognized Honors Program is available for gifted students. "La Salle in Europe" offers students the opportunity to spend their

sophomore or junior year at the University of Fribourg, in Switzerland, while receiving full academic credit at La Salle. Programs are also available for a summer or a year of study in Spain.

Among the major buildings on campus are the David Leo Lawrence Memorial Library; the Roland Holroyd Science Center with facilities for study and research in biology, chemistry, geology, physics, and psychology; the Olney Hall classroom building; and the College Union which houses offices for most student activities and clubs and is the main meeting place on campus.

The athletic department is housed in Hayman Hall. The facility includes the 1700-seat Joseph Kirk Natatorium, three regulation-sized basketball courts, a 12 laps/mile suspended running track, weight training and exercise areas, a sauna, squash courts and a medical training area.

La Salle students come from 200 public and private schools in 30 states, and 20 countries. The dormitories house more than 1100 students in 11 residence halls and two apartment complexes. More than 75% of the student body goes on to graduate study, with more than 1000 degrees conferred annually on day and evening division seniors.

La Salle students have been awarded 58 Fullbright grants since 1970, a total exceeded by only one other institution in the Commonwealth of Pennsylvania. According to a recent survey, La Salle ranked in the top 6% nationally among private undergraduate institutions originating Ph.D.'s (58th of 943 colleges and universities).

# BROTHER F. PATRICK ELLIS

## PRESIDENT, F.S.C., PhD

Brother Patrick Ellis was installed as President of La Salle College on January 1, 1977.

A member of the Brothers of the Christian Schools since 1946, Brother Patrick first joined the La Salle staff in 1960 as a professor of English. He has been associated with La Salle since that time, except for a term as principal of La Salle High School in Miami, FL from 1962-64. He returned to Philadelphia in 1964, and was the Director of La Salle's Honors Program until 1969 when he was named Director of Development and Vice President of the Corporation. A native of Baltimore, MD, Brother Patrick graduated from Calvert Hall College High School in 1946, received an A.B. degree in English from Catholic University in 1951, and earned his master's degree and doctorate in English from the University of Pennsylvania.

He was first assigned to the Philadelphia area in 1951 when he joined the staff at West Catholic High School for Boys. In the 10 years he was there he served as Chairman of the English Department and as Guidance Director.

Active in numerous national and local organizations, Brother Patrick is a member of the Board of Trustees of Manhattan College, St. Mary's College (Winona, MN), St. Mary's College (Moraga, CA) and St. John's College High School (Washington, DC).

He is past Chairman of the Board of Directors of the 220-member Association of Catholic Colleges and Universities; President of the James A. Finnegan Foundation, which fosters state government internships; and Chairman of Philadelphia's Campus Boulevard Corporation, a co-operative organization of institutions located adjacent to La Salle.

He was the chairman for 1986-87 of the Pennsylvania Association of Colleges and Universities and is on the boards of the American Council on Education, Greater Philadelphia First Corporation, Philadelphia Urban Affairs Partnership, Independence Hall Association, the Police Athletic League, Fellowship Commission, Professionalism Committee of the Pennsylvania Bar Association, and Catholic Charities of Philadelphia. He recently completed terms on the boards of the Afro-American Historical Museum, Community Leadership Seminar, Salvation Army, Archdiocesan Council of Managers, and World Affairs Council.

Brother Patrick has authored numerous articles in educational publications, and conducted a "How to Read Great Books" series for the "University of the Air" on Philadelphia's WFIL-TV in 1961 and 1965. A member of Phi Beta Kappa, he was president of the Phi Beta Kappa Association of Philadelphia for two terms.

Brother Patrick has been an avid devotee of the arts all his life, and has performed in several productions over the years, the last being "Knickerbocker Holiday" at La Salle's Summer Theater in 1971. His sketches of local scenes frequently adorn his personal notes and Christmas cards. He has sung the National Anthem at a number of La Salle basketball games, and before Philadelphia Phillies games at Veterans Stadium.

## BOB MULLEN DIRECTOR OF ATHLETICS

Bob Mullen, a successful coach and administrator at two colleges was named La Salle's fourth Director of Athletics on July 28, 1986.

Mullen, 48, is a graduate of Northern Illinois University, with a Bachelor of Science degree in History and a Master of Science degree in Guidance and Counseling. His first head coaching positions were at Galena (IL) High School, where his basketball teams had a 189-59 overall record and won seven straight conference championships. He was also Head Coach of football (18-6 record), golf (three conference titles), cross country and baseball.

In 1974 he was appointed Director of Athletics and Head Coach of basketball and golf at Loras College in Dubuque, IA. Both the basketball and golf teams reached NAIA finals under his leadership. He also instituted a Division III football program at Loras, and aided in planning and development of both a civic arena and intramural center.

In 1981 Mullen was named Director of Athletics at the University of Southern Colorado in Pueblo, CO. Among his accomplishments at USC were: European tours for both the men's and women's basketball teams; promotion of an NAIA first-round football playoff game which set a national record for attendance; and initiation of a wrestling program which ranked second in the NAIA after only three years as a varsity sport. He also served as interim Director of Alumni Affairs for one year due to his success in that area in relation to the Athletic Department.

As a college coach, Mullen received NAIA District Coach-of-the-Year laurels for both

basketball and golf while at Loras College. This season Mullen serves as President of the Philadelphia Big Five, and Vice-President of the Metro Atlantic Athletic Conference.

An active administrator on the national level, Mullen was a voting delegate to the United States Olympic Committee-United States Sports Council; was President of the NAIA Athletic Directors Association; and was a Division II College Representative to the Executive Committee of NACDA. On the international level, he served as administrator at the Goodwill Games in Moscow in 1986; conducted clinics at sports camps in Scandinavia; and visited ten foreign countries with the basketball teams of Loras and Southern Colorado.

Mullen and his wife Marcia have four children: daughter Sherri is married with two daughters and lives in Dubuque, IA; son Scott is a senior at Drake University; daughter Kelly is a sophomore at La Salle; and son Rob is a junior at Springfield High School.

Bob Mullen succeeded Bill Bradshaw as Director of Intercollegiate Athletics and Recreation, and is the fourth man to hold that position since World War II. Jim Henry was AD from 1941-69. Jack Conboy followed Henry and remained in the position until 1977, when he was succeeded by Bradshaw.

# Coach Miller

## Head Coach John Miller

2nd Year  
21-7

### 1986-87 Coach-of-the-Year

- Metro Atlantic Athletic Conference
- Philadelphia Big 5

John Miller quickly proved that he was the right choice to succeed Bill "Speedy" Morris as the head coach of the La Salle University women's basketball team.

Miller, who took over the women's team after Morris was named the La Salle men's coach, led the Explorers to a 21-7 overall record in the 1986-87 season, completed regular-season Metro Atlantic Athletic Conference play with a first-place 9-3 mark, and tied Villanova and St. Joseph's with a Big Five-winning 3-1 record. The 1986-87 season marked the first time the Explorers had won either a MAAC regular season title or the Big Five championship. Miller's achievements were recognized by his peers as he was voted Coach-of-the-Year for both the MAAC and the Big Five. What made his rookie-season accomplishments even more amazing were the fact that he took over a squad that had graduated three 1000-point scorers and three starters from a conference-winning 1985-86 team that finished 21-9.

Miller led the La Salle women to their third straight 20-win season while suffering the fewest number of losses by an Explorer coach since 1975.

He joined the La Salle staff after a successful stint as a high school boys coach. After serving as an assistant to Morris at Philadelphia's Roman Catholic High School for five years, Miller assumed the head coaching position at Archbishop Ryan High School in 1976. His 1978-79 squad set records at Ryan with 28 wins and recorded a 16-game winning streak en route to winning the Northern Division Playoff Championship of the Philadelphia Catholic League and Miller was named the Catholic League's Coach of the Year in that record-setting season. Miller also was named the Catholic League Coach-of-the-Year in 1984 by the Philadelphia News Gleaner. After a total of nine seasons at Ryan, Miller moved to Monsignor Bonner High School where he closed out his high school head coaching career with a 20-8 year in 1985-86.

A 1969 graduate of St. Charles Seminary with a Bachelor of Arts degree in Philosophy, Miller also has earned a Masters degree in Guidance and Counseling from Villanova University in 1976. A native of Reading, PA, Miller taught at Philadelphia's John W. Hallahan Catholic High School and Archbishop Ryan High School for 11 years.

## **Kelly Briar**

### **Volunteer Assistant**

Captain of the 1986-87 squad, Kelly Briar remains with the team as an assistant coach while she completes studies for her degree in Criminal Justice. During her four years as a player the Explorers posted a composite record of 75-42. A graduate of Bensalem (PA) High School, Briar etched her name in the La Salle record book. Tenth on the all-time scoring list with 834 career points, Briar is among the career top-10 in four other categories, and the top 20 in five others. After graduation from La Salle in December in 1987, Kelly hopes to begin a career in coaching.

## **Thomas Lochner**

### **Volunteer Assistant**

A chance meeting with Head Coach John Miller at last year's Women's NCAA Final Four brought Tom Lochner to La Salle. Lochner coached girls basketball at his alma mater, Bishop Gibbons in Schenectady, NY, from 1980-87, the last four years as head coach of the varsity squad. During his head coaching tenure Bishop Gibbons went 87-13, winning the New York State Championship in the large school division with a 26-2 mark in 1986, and also won three sectional titles. A graduate of Hudson Valley Community College with an Associate's Degree in Marketing, Lochner is pursuing his bachelor's degree in Physical Education/Sports Administration at Temple University.

## **Frank Nunan**

### **Volunteer Assistant**

Frank Nunan returns to La Salle for his second season as an assistant coach. A 1981 graduate of Lycoming where he majored in History/Education, Nunan served as John Miller's assistant at Monsignor Bonner for two years. Prior to that Nunan was an assistant varsity coach at Oakcrest High School in Mays Landing, NJ, for two seasons, and a junior varsity coach at Lycoming in 1980 and 1981. He played guard for Lycoming in 1978 and 1979 after a successful high school career at Monsignor Bonner where he was captain of the team and an All-Catholic selection as a senior. Frank is an insurance representative for PSFS in Philadelphia.
